Experience

CABELL CHILDRESS GROUP

Glen Allen, VA

IT Intern

May 2026 – August 2026

- Designed and built pages on the firm's Squarespace website, using custom CSS within a Ylopo-integrated template to match the firm's branding.
- Developed a Python dashboard that pulls lead data through the CRM's API to track leads in one place, giving the team clearer visibility into their pipeline.
- Set up CRM automations for lead follow-ups and drip marketing campaigns, keeping leads engaged over time and reducing manual outreach for the team.

COASTLINE AQUATICS

Glen Allen, VA

Head Guard

May 2025 – August 2025

- Supervised lifeguard teams, enforced safety and health standards, and assisted in daily operations.
- Onboarded and trained new team members and built follow-up processes that improved accountability.

SWIMMETRO MANAGEMENT

Glen Allen, VA

Pool Manager

May 2022 – September 2024

- Led and supervised 30+ lifeguards, enforced safety standards, and resolved incidents with first responders.
- Coordinated scheduling, staff training, and patron events, strengthening community engagement.
- Oversaw daily operations, coordinating staff activities and resolving issues to maintain efficient workflows.

Activities

JAMES RIVER GREYHOUNDS

Richmond, VA

Volunteer

2020 – Present

- Assist in planning and organizing bi-annual raffles, raising an average of \$2,500.
- Coordinate and assemble baked goods for annual “Easter on Parade” fundraisers.
- Support adoption efforts by addressing inquiries and facilitating positive interactions.
- Collaborate directly with the organization’s president to ensure smooth operations and community engagement.

Technical Skills

Certifications: Microsoft Office, CPR & First Aid

Languages & Tools: Python, Java, HTML, Unix terminal. Built websites, calculators, games, weather apps, market trackers, RAG models, and AI agents.
